### **JULY 2010**

As for me, I will behold thy face in righteousness: I shall be satisfied, when I awake, with thy likeness (Ps 17:15). Greetings in Christ's precious name.

It has been a blessing to have several opportunities to speak with different people here this month regarding the work of the Lord. Also as we are able, we continue to make the Lord's church more known in the community through the printed word of the gospel.

The shipment from the USA was delivered to our house last week in good condition. Quarantine officials had held the crates for several weeks and performed a test on some “blue fungus,” which was detected on the outside of one of the crates. A couple of boards were removed from that crate and destroyed before the whole shipment was released to us. Needless to say, Cyd and I have been busy trying to get everything moved in and settled. We are looking forward to being more functional and efficient as soon as we are able to get things organized.

I have also been able to begin the repairs to our Risograph digital copier and hope to have it up and running in the near future.

It is a blessing to be able to talk with Pastor Norman and some of the brethren in Papua New Guinea every few weeks. They are continuing to do well and are looking forward to their Bible Conference near the end of this year. In the past few months they have received two new members by baptism.

Our hearts feel overwhelmed at the Lord's goodness in helping us to get settled in a new country. We also found a doctor recently that was willing to work with Cyd's doctor in the USA.

Thank you for your prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Bro. Frank James
